

# In Her Own Words

## WOMEN'S MINISTRY NEWSLETTER

### Grow Together in Unity and Love

#### *Women's Ministry Launch - Spring 2022*

With the goal of serving and bringing together the women of church and community, the Women's Ministry Team invites you to a Women's Brunch on Saturday, April 30, from 10:00-Noon, in the Fellowship Hall.

The food will be catered to keep our focus on simply enjoying the time together. All you need to bring are your ideas for the future activities and broader vision of the ministry in service, worship, fellowship, and discipleship to encourage our shared growth in Christ.

This newsletter, "In Her Own Words", will serve to provide regular announcements and updates to the prayer needs, programs, activities, and events of the Women's Ministry to keep us all informed and involved.

To help us ensure proper food and space, please secure your reservation for the April 30 brunch by contacting the church office (373-4733, [office@obckc.com](mailto:office@obckc.com)) by Monday, April 25 and keep a look out for the subsequent volumes of "In Her Own Words".

- Women's Ministry Team
